Wednesday, August 31, 1983

The hallways of Haliburton Highlands Secondary School now cluttered with boxes of books and desks, as seen in the background, will soon ring with the sounds of the returning student population. The first step in that process started this week with student registration in the main foyer. Student Melanie Rutter, right, is greeted by school secretaries Audrey Heywood and Brenda McAdam as she registers Monday morning.

Performance prompts letter from council

Anson, Hindon and Minden council won't take action to stop strippers from performing in the village. However, council did vote to send a letter to Rockcliffe Tavern owner Dave Willis objecting to the recent performance by a male stripper at the establishment.

Township council had received a request from the elders of the Minden United Church to ban such performances from the village. After a lengthy and often lively discussion, council voted in favour of a letter of protest.

Councillor Gary Kenney was one of those who spoke out against an anti-stripper by-law in the village, telling council that the township has no authority to interfere with a private enterprise such as the Rockcliffe.

"It's not council's part to involve itself with a by-law regulating this type of entertainment," Kenney said. "Let their consciences dictate their actions."

Other council members took a radically different view toward the situation.

"I think that we, as a council, should let (Mr. Willis) know that we object to this type of entertainment in the village," said Pat Burk.

Burk added that she thought incidents such as the recent performance by a male stripper would give outsiders a bad impression of the village.

"We want to draw decent,

law-abiding people to live in the village. This sort of thing is going to put them off," she said. Surely he (Willis) can provide better entertainment without sinking that low."

Reeve Lyle McKnight also spoke out against strippers, male or female, performing in local hotels.

Deputy-Reeve Ed Pergolas agreed, but took a softer line than McKnight or Burk.

"I don't approve of the methods he's using to entice people (to his establishment)," Pergolas said. "I think (Willis) is just testing us to see how far he can go. He has done it just to be controversial."

Kenney argued that council should deal with the principle, instead of one incident.

"Personal feelings are not

the issue here. I don't like that kind of show either, but I don't believe that we can legislate morality," Kenney said. "It's a licenced establishment, so there were no minors involved. I don't believe that, as a council, we can encroach upon the individual's right to decide for himself."

Council voted by a narrow 3-2 margin to send a letter to Willis voicing its objections to the recent performance by the male stripper. Kenney and councillor Dave Stevens recorded nay votes, with Reeve McKnight casting the deciding vote.

Small motors popular targets

Outboard motors continue to be a target for thieves in Haliburton County. The small, easily carried, models appear to have the greatest appeal, according to information provided by the Minden OPP.

Four motors and boat were taken during the past week, including a 9.9 horse power outboard taken from a boathouse on Moore Lake, a 15 h.p. motor removed from a boat on Drag Lake, a 7.5 h.p. motor stolen from a Kashagawigamog boat, and a 7.5 h.p. motor and aluminum boat taken from Green Lake in Stanhope Township.

Police have not discovered any leads to the thefts. The investigation continues.

People must speak out to stop nuclear escalation

Politicians must be made fully aware of the dangers of war, if the world is to escape nuclear holocaust, says Dr. Clark McDonald, Moderator of the United Church of Canada.

McDonald told a gathering of over 100 Minden residents that policy-makers, such as Prime Minister Pierre Trudeau and U.S. President Ronald Reagan don't appreciate the danger that nuclear war poses to mankind.

"We are preparing for holocaust on a planetary scale, and the only way to avoid it is by putting pressure on our elected officials," McDonald said.

McDonald was speaking to a crowd at an anti-nuclear rally in Minden last Wednesday night. He shared the podium with Dr. Norman Alcock, an international peace advocate who also spoke on the horrors of nuclear war.

In a brief speech, Alcock echoed McDonald's mess-

age that many politicians simply don't understand how devastating nuclear war could be.

"We still see people with a World War II mentality, who believe that war is something honourable, with a clear winner and a clear loser," he said. "What is necessary is a whole new paradigm; a sudden cognizance that nuclear war just doesn't make sense."

The speeches by McDonald and Alcock were preceded by a screening of the film 'If You Love This Planet', a National Film Board production that examines the horrors of the atomic bombing of Hiroshima and Nagasaki in World War II.

McDonald began his talk by comparing the effects of atomic war to the horrors of the death camps of Nazi Germany.

"Auschwitz may be our past, but Hiroshima is our future," he said.

McDonald took a hard line against those who

believe that the only way to compete with the Russians is to continually build up the nuclear arsenal.

"I have a deep respect for those who fought in World War II, and know what war is all about," he said. "But Reagan and the others have failed to realize the difference between 1939 and 1983. World war today would be elimination, not survival."

McDonald called upon the crowd to write to Victoria-Haliburton MP Bill Scott, to protest against the continuation of the arms race.

McDonald added that he thinks that most politicians are against the nuclear build-up, and issues such as the controversial testing of the Cruise Missile in Canada, but need a push from the electorate before they will speak out.

"I am convinced that if you took a poll without all of the media pressure, you would find that they are in favour of de-escalation of

the insanity in which we are involved."

McDonald compared the task of turning popular political opinion against the use of nuclear arms to that undertaken decades earlier when governments were persuaded to abolish slavery and colonialism.

"It took 80 years to get rid of slavery and only 50 years to give up colonialism," he said. "Perhaps in 10 years we can look back and think 'how absurd that a country would consider taking force against another country.'"

The Minden rally was one of a series of anti-nuclear meetings that McDonald and Alcock have taken part in. Although Alcock estimated the crowd at 150, there appeared to be just over 100 people in the arena hall, and some in attendance had travelled from Lindsay for the meeting.

McDonald is a member of an interdenominational church group that visit the

(more on page 2)

Disarmament meeting

(from page 1)

Soviet Union in September to take the anti-nuclear message to church and government officials in Moscow.

"Frankly, I don't know what kind of a reaction we'll get in Moscow," McDonald said after the Minden rally. "We don't know how much effectiveness our visit will have, but we're determined to go and try."

How does McDonald feel about the major decision makers in the debate over Canada's role in the nuclear build-up?

McDonald was fairly benevolent in his attitude toward Prime Minister Trudeau, describing him as a man with "global concerns", but he added that Trudeau is apparently unaware of the true consequences of nuclear war. McDonald was less kind when referring to U.S. President Ronald Reagan and Canada's External Affairs Minister Allan MacEachen.

"When they announced the testing of the Cruise missile, MacEachen said that Canadians are reasonable people. We don't want our planet destroyed and that's the most reasonable thing I can think of," he said, drawing a small ovation from the crowd.

After fielding several questions from the audience, McDonald ended the evening on a sober note, with a prayer for cyclist Jocelyn Lovell, who is in hospital in Toronto recovering from serious injuries he suffered after being struck by a truck.

Clark McDonald Moderator of the United Church of Canada, addresses the Wednesday night Peace Meeting in Minden. The nuclear disarmament advocate stressed the need for public participation if world annihilation is to be avoided.

Support sought for protest

Joe Curtin took his case to a new forum last Thursday night, and although he didn't convince Anson, Hindon and Minden council to fight the reconstruction of the Ingoldsby bridge, he did score some points with council members.

Curtin has become a one-man lobby group in an attempt to block reconstruction of the bridge in the Ingoldsby narrows. Curtin argues that the new structure will reduce the clearance below the bridge, restricting boat traffic between Canning and Kash-agawigamog Lakes.

Curtin took his case to the county earlier this year, forcing an expropriation hearing, which he lost.

After receiving the backing of the Old Allsaw Road Cottagers Association, presented his argument to the township.

Curtin contends that replacing the bridge is unnecessary, stating that recent studies have shown that the bridge could be repaired for \$100,000, a

fraction of the cost of building a new bridge.

Deputy-Reeve Ed Pergolas disputed many of the statements that Curtin made to council, claiming that Curtin's assessment of the effects that the new bridge would have is unrealistic.

"He's talking about them building a four-lane bridge.

That isn't the case," Pergolas said. "That bridge should have been torn down in 1975."

Much of the disagreement between Curtin and Pergolas centred around the water level clearance underneath the proposed new bridge.

Curtin also told council

that Ontario Hydro has advised him that they plan to install a 7,200 volt submarine power cable along the narrows, another point that Pergolas disputed.

"We discussed the bridge four weeks ago, we've heard nothing from Hydro about (the cable)," Pergolas said.

Reeve Lyle McKnight told Curtin that he had made "some interesting points", and promised that council would "check them out" before deciding whether to go to bat at the county on Curtin's behalf.

"A county report stated that the bridge could be repaired, not replaced," Curtin said. "It's high time we told the county what to do. We elect them."

SSFF college receives grant

Sir Sandford Fleming College's (S.S.F.C.) Art Conservation Techniques program has received \$43,500 from the Museum Assistance Programs (MAP) of the National Museums of Canada.

The grant, which was awarded through the National Museum's Training Assistance Program, will support the internships of the College's Art Conservation students.

S.S.F.C.'s three-year program in Art Conservation Techniques trains students in the maintenance and preservation of artifacts and art works as well as general training in museum practice. During the final year of the program, students participate in internship placements at recognized conservation facilities in Canada. The National Museums grant will contribute to the students' living expenses while on placement.

George Zieliński, Assistant Director for Regional Operations of MAP, said "there is a tremendous need for the conservation of collections and an equal need for trained professionals in this field. S.S.F.C.'s Art Conservation Techniques program has been fulfilling these needs."

A total of 16 grants were awarded to organizations across Canada under the Training Assistance Program. Three Ontario institutions received internship assistance including Queen's University, University of Toronto and S.S.F.C.

Earlier this year, the College's Art Conservation program received \$11,925 under the Museum Assistance Programs to up-grade its laboratory facilities. These funds were used to purchase additional equipment which has enabled the students to experience a wider range of conservation techniques and treatments.

College President Charles Pascal stated that "the National Museums Board has been extremely generous to the College and its support enables us to attract top quality students in a field that is vital to the preservation of Canada's heritage."

Speaking out

During his presentation to the Minden Peace meeting Wednesday evening, The Reverend Clarke MacDonald, Moderator of the United Church of Canada, offered an answer to those who wonder why he is so actively and vocally involved with the peace movement. We paraphrase.

"People often ask, 'What can I do to change the global events? What impact can I have?' Sure your efforts as an individual or even as a group here in Minden may seem puny when set against the actions of the huge military and political machines of the super-powers. But your contribution is important, even though you are like a grain of sand. It takes many grains of sand to make a beach, but once in place, that beach can turn back the waves ...

"It took the world a long time to speak out about the horrors of the Holocaust of World War Two. Even the churches of this country, God forgive us, were reluctant to speak out when Jews were crying out for shelter and protection. Finally we came to our senses.

"I was vividly reminded of the Holocaust when visiting the Israeli pavilion at Expo '67. Near the exit was a pair of child's slippers which had been found in one of the Nazi death camps. The plaque on the case containing the slippers indicated the child had likely died in the furnaces or gas chambers of that camp.

"When someone asks me why I am so deeply involved in the anti-nuclear movement, I think of those slippers and the child who wore them. Is it any more horrific to throw the child into the furnace than it is to throw the furnace on the child?"

Editor:

This letter is in response to the letter to the editor in August 24 issue of The Times.

First of all, my heart aches and breaks for the dear, lost, hurting people in and around this town who are so blinded, they actually think the answer is in going to a tavern to sit and drink booze and watch some naked male performer disgrace himself too.

In the twenty-five years I have lived in Minden, I have seen many lives destroyed because they have visited these type of places too often and there's been no one to tell them the truth. I thank God that out of this large area, one person, Helen Cox, spoke up against the type of garbage that has been allowed in Minden over the years. I congratulate her!

Where are all you nice church people? You, too, are responsible for the future of these people around this area. It's about time some of you get up off your butts and get down on your knees and start praying for these lost and hurting lambs because

you too will be held responsible! It's time you stopped playing church and burying your heads in the sand like an ostrich and stand up and take a look at what's going on around you, and do something about it. This may be a shock to some of you, but it is written - II Chronicles 7:14; "If my people, which are called by my name, shall humble themselves and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

This may be a hard punch for some of you, but remember, it is written, "And you shall know the truth and the truth shall make you free". I don't have all the answers but I know Someone who does and I promise if you turn to Him, He will save your soul and give you life more abundantly and He will fill you with living water and you will never thirst again for the entertainment and booze that you have to pay a high price for at the "Taverns" or any other upholstered sewer that is robbing you of your very life and your life's

earnings as well.

Have you ever heard the event of Noah and the flood? or the destruction of Sodom and Gomorrah?

"Call on Jesus Christ and ask Him to help you. Please do not wait until tomorrow lest the same disaster happen to you that destroyed Sodom and Gomorrah".

General Motors makes cars and trucks and supply an owner's manual of instructions with each one. God made men and women and He also supplied a manual that you are commanded to follow in order to live an abundant life on this earth.

I am not representing any particular denomination, nor do I have any religion after man's design, but I do have a personal relationship with Almighty God and I am representing Him in this issue.

Introduction
To My Saviour

I'd like to introduce you to my Saviour

letters

Editor's note: Due to a misinterpretation of one of the signatures appearing with a letter in last week's edition of the newspaper, the name of Sue Pye was listed among the signatories. Mrs. Pye did not sign the letter in question and we apologize to her for this error.

Editor:

In Haliburton County we are blessed with a wealth and diversity of athletic, recreational and cultural activities to meet the needs and interests of the residents. Many individuals deserve a great deal of the credit for this.

Interestingly, a new activity has surfaced in the area. A number of individuals in the August 24th edition of "The Times" (letter to the editor) proclaimed that they get their jollies from sitting in a local hotel watching male performers bare their anatomy.

This is all well and good except that among the signatures to this letter is one - M. Dennys. Since he did not sign the letter himself and presently resides one hundred and fifty miles from Minden, he is understandably upset. He has asked me to take the necessary steps to disassociate his name from the above mentioned letter.

John B. Dennys,
Minden.

Editor:

We visited your town last Saturday and participated in the Fall Fair. We had some of the old antique farm equipment there and at the last minute participated in the Parade as a walking group. From this we realized first prize as the Best Walking Group as well as for the Best Adult Costume. Of course, we were just delighted with this and would like to have a copy of the edition of your newspaper which would feature the Fall Fair and the prizes for the different events.

Incidentally, your float and theme for the Parade was excellent and I hope you received the prize for it. Imagine, "Ahead of The Times", "Keeping up with The Times" and "Behind The Times". Someone was sure thinking to come up with those ideas!!

Again, an excellent Fall Fair and we hope to join your town again next year.

Barbara Dawson,
Bracebridge, Ont.

Council briefs

Items from the August 25 meeting of the Anson, Hindon and Minden township council.

The Bell Telephone Company drew criticism from Anson, Hindon and Minden township council over the changes in the new edition of the phone directory. Council voted to

support a motion from Fenelon Falls Township council asking the phone company to return to a larger type when the next directories are printed.

Bell's decision to adopt a five column format (and smaller type size) in its 1983 directories has drawn fire from several areas, with

citizens complaining that the new type is difficult to read.

No listing

Council has turned down a request from the Children's Aid Society to have the local CAS office listed under the township's heading in the government listings

(blue pages) of the phone directory. In turning down the request, Reeve Lyle McKnight noted that the township would have paid a monthly fee for the extra listing, and that the township didn't want to set a precedent to let other agencies use the township listing.

from the chamber

The Annual Meeting Committee has announced the theme for this year's Annual Meeting. The meeting which will be held on October 19th will be themed, "You, Haliburton County and the Future". They will feature seminars, displays, round table discussions, as well as the Annual Meeting, films and dancing. More details will be announced in coming weeks as they become available.

Currently the office is in the process of converting our billing system from the anniversary method to the calendar year method. As a result all of the members of the Chamber will be receiving bills between now and December. Memberships will have to be paid by December 31st, or members will not be listed in the 1984 Directory, will cease to be a member at the first Board meeting in January and will have to pay a \$10.00 initiation fee when they renew their memberships. Our 1984 Directory promises to be bigger and better than ever as we plan to print 35,000 copies to meet the demand. This year we printed 25,000 copies and they are almost all gone.

The next issue of the Chamber of Commerce newsletter will be sent to members in mid September. Anyone wishing to advertise in it or has suggestions for items to be mentioned in it should contact Frank McCarron immediately.

To see and do

On September 1st the Leslie Frost Natural Resources Centre will feature a free two hour program entitled Wildlife and You. This will be a unique opportunity to meet a conservation officer and a biologist who will help you examine your relationship to wild animals. You will have a chance to walk around a unique trail which will help develop skills to enhance your enjoyment of wildlife. This program will begin at 1:30 p.m. and be over in time for the interpretive tour that begins at 3:30.

The Haliburton County Snowmobile Association will be presenting a weekend of racing on September 3 and 4. There will be snowmobile grass drag races and on September 4 there will be three wheel races. The entry fee is \$5.00 per class, admission is \$2.00 with children under 12 getting in for free. Registration begins at 11:00 a.m. and racing starts at 12:30. It should be noted that there will be several classes of competitors to ensure fair and fun competition.

Also on September 3 and 4 is the Kinmount Fair. The fair with the forward look. The fair parade Saturday at 12:30 p.m. This fair features exhibits, livestock show, amateur show, entertainment, horse judging, a dog show, a pony show and horse and goat exhibits. Saturday night entertain-

ment will be provided by those Juno Award Winners the Family Brown. Sunday there will be a car demolition derby supervised by the Trans-Canada Hell Drivers. Admission to the events is \$3.00 for adults, \$1.00 for public school children, pre-school children are free, and cars are \$1.50.

If you haven't seen the show at the Rails' End Gallery Robert Bateman "a retrospective" you certainly should get down there before September 5th. This extraordinary exhibition of Robert Bateman's works includes several current wildlife originals but also includes many works from his earlier days as a painter. Mr. Bateman's work has gained world renown in

recent years due to its beautiful life like accuracy. The gallery is open from 11:00 to 5:00 Tuesday to Saturday, and 1:00 to 4:00 on Sundays. Guardian Drugs, Steve Bowskill, and Benjamin Film all deserve thanks for having brought this beautiful show to the Rails' End Gallery.

Continuing to September 6th the Agnes Jamieson Gallery is their showing of the Andre Lapine Collection. These works of art are taken from the permanent collection of the gallery. Forty-two paintings in the show were all left in the Municipality by the late Frank Welch. The gallery is open from 10:00 to 5:00 Monday to Saturday and admission is free.

Whitby Dunlops hold reunion at PineStone

Every once in a while, Wren, Harry and the boys get together to talk about the days when they were world champions.

Twenty-five years later his team defeated the Russians to win the world championship, and Wren Blair still loves to talk about the Whitby Dunlops.

The Dunlops were staying at the PineStone Inn last Thursday, as part of a four-day reunion. The players and their wives got together for a day of golf and socializing before travelling to Whitby by bus for a parade and banquet in their honour.

The Dunlops were the toast of the nation in 1958; going undefeated at the world hockey championships in Oslo, Norway, and defeating the favoured Russians 4 - 2 in the championship games.

Blair, who was coach and general manager of the Dunlops, recalls that his team was in awe of the Russians, and it almost cost the Canadians the championship.

"We were standing around watching them, and they scored two quick goals in the opening two minutes," he said. "I told the guys to wake up and start hitting them".

The Canadians fought

back to tie the game 2-2 and it stayed that way until late in the third period. The Canadians broke out quickly with two goals in the final three minutes, stunning the Russians, and winning the game 4 - 2.

The Dunlops were a Senior A team, one of the last amateur clubs to represent Canada at the world champions. The Whitby team had won the Allan Cup in 1957 and returned from Norway in time to take a second consecutive Allan Cup in the spring of 1958.

Where are they now? Several of the Dunlops have stayed in hockey, while others have found success elsewhere.

Playing captain Sid Smith returned to the Toronto Maple Leafs, a team with which he won three Stanley Cups. Defenceman Harry Sinden went on to a career, first as coach, now general manager, of the NHL Boston Bruins. Blair entered the NHL in 1967 as general manager and coach of the expansion Minnesota North Stars, and is now an executive of the Los Angeles Kings.

The star of the championship win over the Russians, Bob Attersley, who scored two of Canada's four goals, went on to become the mayor of Whitby, a post he

1958 World hockey champions Whitby Dunlops gather for a group portrait prior to leaving for Whitby where the players were honoured at a reunion weekend celebration.

still holds today. Attersley played host to his former teammates last

weekend, in a special parade and banquet in Whitby.

This was the Dunlop's third reunion. They got together in 1968 (10th

anniversary) and again five years ago for the 20th anniversary reunion.

As one player remarked as the team was boarding a

bus for Whitby.

"It may have been 25 years ago, but there's still a lot of warmth with the guys; a lot of good feelings".

Ladies league into finals

by Lori Dean

It has been two weeks since this column had appeared so here's some catch up news on the Haliburton County Ladies league.

West Guilford eliminated the Haliburton Seniors in a very exciting game that saw Haliburton take a 9-1 lead in the second inning. However the teams defences fell apart and Guilford came roaring back in the third and fourth scoring ten runs. After that both teams settled down in the run department and it was three up, three down the rest of the way. Haliburton made a valiant effort in the seventh but it came too late. Guilford won the game 10-9 with some good batting from Bev Sisson, Mary Barry and Charlotte Barry. Kim Roberts and Wanda Scott had a good night at the plate for the Seniors. Nancy Maughan and Lynn Winans shared the loss on the mound. Joan McKay was the winner.

With West Guilford winning the semi-final series with Haliburton Seniors, that paved the way for the 'A' Division championship round to get underway with Minden Dixie Lee.

In game one, both teams were tied at 2-2 after the first inning. Guilford got four more in the second inning with the help of Michelle Rosenberg who had an all-round good night at the plate. Barb Winn was Minden's big bat scoring two. Bev Sisson's triple in the fourth inning with two on base was the back breaker as Guilford went on to win 8-4.

Minden came back in fine style in game two hoping to tie the series, but it was not to be as the red hot Guilford team defeated them by a count of 7-4.

Both teams played a good game and lots of local fans were out to support them. Gail Teasdale and Mary Barry had a good night at the plate for Guilford. Sue Pye scored two for Minden. Anne Hewson and Nelda Cully shared the loss and Joan McKay took the win.

In game three, it was no contest as Guilford thumped Minden Dixie Lee to the tune of 11-1. Nelda Cully scored Minden's only run in the fifth inning. Gail Teasdale made a pretty double play in the fifth inning but after that it was just a hit and run ball game.

Cherly Cooper went four for five at bat as well as Michelle Rosenberg who went three for five. Next game in the series is Tuesday night in Haliburton so it's do or die for Minden.

The Haliburton County League probably had their first "fogged out" game ever last Monday night as the "B" division started their championship round.

The Haliburton Juniors

were involved in a game with the Minden Juniors when fog in the outfield stopped

the game in the fifth inning. Haliburton were never really in the game as Minden

piled up a big lead in the first and second innings. Batting well for Minden were Kim Sinclair and Lori Dunham with Terry Dillon slamming a home run. Marla MacNaull hit a homer for Haliburton and team-mate Marg Smith had a few good hits of her own. The game ended 27-16 for Minden.

Game two of the 'B' Division was not officially reported, but rumour has it that Haliburton Juniors took the game 22-4. One highlight that should be mentioned was a grand slam by Marla MacNaull.

That ties the 'B' Division Championship round at one game each.

Dixie Lee loses last game of soccer season

The Haliburton Dixie Lee soccer team went down to a 4-2 loss in its final regular season game. They played the Muskoka Sun team in Huntsville on Sunday.

The locals played a strong first half, scoring the first goal and going ahead again when the hosts matched the first tally. The opening half ended in a 2-2 tie.

Huntsville was able to dominate in the second half knocking in two more goals to secure the game. The younger age of the Sun players was one of the determining factors in the game's outcome.

The Dixie Lee team now advances to the quarter finals, a one game play-off. They finished the season in seventh place in the eight team league and, as of press time, were uncertain who their opposition would be.

The quarter final play-off

game for the Dixie Lee is an away match and is scheduled for this Sunday afternoon. Details on how the team fares will appear in next week's edition of The Times.

South Lake's strange skiers

by Edo van Belkom

Is it a bird, speeding across a shimmering lake at speeds in excess of 30 mph? No.

Is it a plane, flying over the wakes left by happy boaters? No.

It's none other than Superman, on waterskis no less.

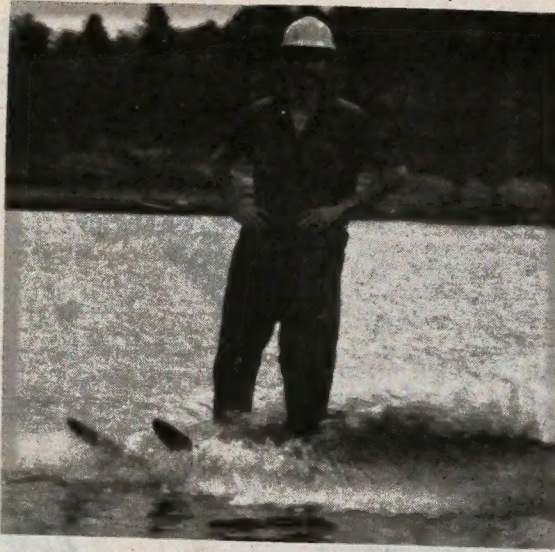

For the past three years two cottagers on nearby South Lake have delighted vacationers with their aquatic antics. It all started innocently enough when Ian Harris 20 and Edo van Belkom, 21 became bored with ordinary run of the mill skiing and decided to liven things up with a costume.

That first costume consisted of a pair of coveralls and a hard hat, the working man's skier. From that simple beginning the costumes have progressed to include two styles of dresses, a sporty yellow one for afternoon jaunts, and a daring evening dress with a saucy plunging neckline. And this year's costume has been the biggest hit yet with the people on the lake.

When Superman dons his red and blue suit, choruses of "Hi Superman" can be heard from the youngest of swimmers and waves and handclaps are seen all around.

When asked why he goes through all this just to do something that can be done just as well in a bathing suit, Harris replies, "Why not?" And when asked what could possibly be waiting in the wings for next year he replies, "I'm not sure yet, I've been thinking of no costume at all but, we'll just wait and see."

So if you ever are in the area of South Lake don't be surprised if you see an odd sight on the lake. That guy able to leap tall boat wakes in a single bound, why it's none other than Superman, on nearby South Lake.

A begarbed skier skims South Lake.

Federation of Ontario Naturalists

Through the ages, snakes have been feared, misunderstood and maligned. Some people believe all snakes are venomous. Others consider them useless. Many dislike them "simply because they are snakes".

Fortunately this attitude is changing. Gradually the realization is spreading, through natural history education, that these reptiles play an important part in nature, consuming great numbers of insects and rodents pests. But will this change occur quickly enough in Ontario to prevent the extinction of our one and only poisonous snake, the eastern massasauga rattler?

Found chiefly along the shores of Georgian Bay to about twenty miles inland, on some of the islands and on the Bruce Peninsula, the massasauga also makes its home along some parts of the Lake Huron, Lake St. Clair and Lake Erie Shores. Although it dines chiefly on the mice found in rocky situations and meadows, the favourite habitat of this mild-mannered, rather sluggish little snake occurs in and around swamps. There it can be found searching for another staple, frogs, and often swimming some distance from shore.

Born in numbers of seven or eight during the summer months, the massasauga is a stout-bodied snake which seldom attains a length of more than two and a half feet. Its head is broad and distinct from the neck; the snout is blunt, and like all rattlers the massasauga also has the facial pits and

cat-like eye pupils.

Despite its small size, this rattler is equipped to find for itself, as it must from birth, with highly toxic venom which attacks the heart and circulation system. A bite from a massasauga has proven fatal in a few cases, though prompt medical treatment is sufficient to prevent this from happening. The chances of being bitten are very slight, however, as the massasauga prefers retreat to attack and tries to avoid encounters with humans. The greatest danger lies in accidentally stepping on one, or more commonly, in trying to capture or kill it.

In fact a far bigger worry is the threat which human settlement poses to the entire rattler population. Urban development and the draining of wetlands have taken a big toll already, and

present scientific studies indicate the species has approached the first warning sign on the road to extinction. As its numbers decline scientific study becomes more difficult and it is important for public sightings and observations to be recorded. A handy booklet produced by the Federation of Ontario Naturalists provides accurate information on the massasauga and is useful preparation for anyone who comes across one of these reclusive snakes.

Let your The Edgewater... *imagination go*

Close your eyes and let your imagination go.

Picture a setting that can only be described as idyllic: mature trees, a waterfall, lush greenery, footpaths meandering through 8 acres of meticulously landscaped waterfront property.

Create the perfect extraordinary condominium complex; one that complements the landscape. Construct it with rich earthy brick. Tailor it with luxury, spaciousness and uniqueness of design.

Provide for every human need. Add an exclusive clubhouse with a whirlpool, a movie room and kitchen. Carve out a swimming pool for active, social lifestyles.

Imagine a kind of quality that provides prestige and satisfies a desire for dignity and congeniality. Design cobblestoned interior streets leading into skylighted atriums which are tastefully decorated with abundant foliage and friendly seating areas.

Extend the graciousness and beauty into the residential bungalows. Recognize people's budgets shall not be challenged. Use the best of long term materials, the finest workmanship. Provide a choice of floorplans in 1 or 2 bedrooms or penthouse designs.

Let your mind complete your idea of a paradise with an overall accent on style, excellence, breathtaking beauty and above all, a concern for the needs of people.

To see the picture your imagination has created visit the Edgewater in the Village of Bobcaygeon. It has been created for you by the Frederick G. Reynolds Group.

The Setting

People in the Haliburton Highlands have always known that the **Dixie Lee** stores in Minden and Haliburton were excellent spots for a quick snack or a hearty meal. But Dixie Lee has become more than just a fried chicken outlet.

Chicken still has an important place on the Dixie Lee menu, but there is a wider and tastier selection from which to choose. For example, enjoy a tasty hot chicken sandwich, smothered in Dixie Lee's own special gravy. Add a serving of fries and fresh coleslaw and you've got a great meal.

Looking for something lighter, then try a chef's salad, a delicious medley of fresh garden vegetables topped with your favourite dressing. Or enjoy a mouth watering Dixie Burger or Dixie Cheese Burger with a side order of fries or onion rings ... sure to please the kids and mom and dad. If you're looking for something different try a chickenburger or fishburger.

Speaking of fish, why not try Dixie Lee's other specialty, served any number of ways. Of course there are fish and chip dinners, but don't overlook the shrimp dinner, seafood combo including English style fish, shrimp, fries, coleslaw, roll and butter served with a zesty tartar sauce, and, coming soon, the seafood cocktail.

New on the Dixie Lee menu is barbequed chicken. Try it, you'll like it. Top off your meal with a Dixie Lee dessert - sure to please.

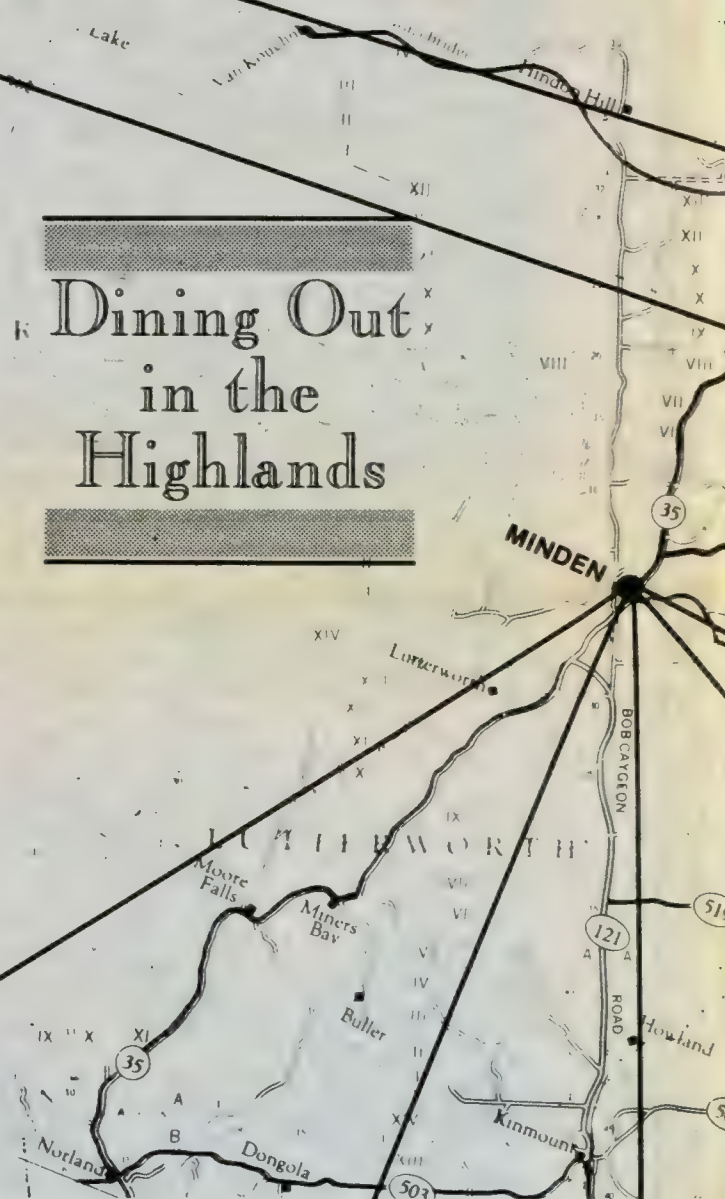

Dixie Lee is located on Highway 35 in Minden. Call 286-2440. In Haliburton, the Dixie Lee store is located on Maple Street, dial 457-2440. Visa accepted at Haliburton lounge. All items mentioned above not necessarily available at both locations.

New this summer at the Haliburton Dixie Lee outlet is a licenced lounge. Enjoy your favourite beverage in a relaxed, tastefully appointed atmosphere while dining on your Dixie Lee treat. The lounge is fully licenced and is an ideal location for lunch, dinner or and evening snack.

Of course, all Dixie Lee meals are available for take out as well. You can call ahead for faster service.

Looking back

Land at \$2.50 and \$2.00 per acre. That was the price set for property sold by the Canada Land and Emigration Company in the 1860's. The company had purchased ten townships from the province with the intention of luring settlers to this part of Ontario. The following report, prepared by the Ontario Department of Agriculture and Public Works, appeared in 1869.

This is the youngest of our land companies, having bought so recently as 1861 the ten townships of Dysart, Dudley, Harcourt, Guilford, Harburn, Bruton, Havelock, Eyre, and Clyde (ij Peterboro' Co.), and Longford (in Victoria Co.) These Townships — all in one block — were unsurveyed, and after a survey which cost the Company \$31,810, it appeared that they covered 403,125 acres, from which, after deducting 41,000 acres for the area covered by swamps, &c., there remained 362,125 acres, to be paid for at the rate of 50 cents per acre. The amount paid by the Company to Government was \$195,043. The ordinary settlement duties upon these lands are to be performed within 18 years from January, 1865, and ten per cent of the purchase money is to be refunded to the Company for the construct-

ion of the leading lines of road, subject to Government inspection. Besides these expenses, the Company has paid nearly \$10,000 more for additional surveying, roadmaking, &c., besides considerable sums in preparation of their estate for settlement, the furtherance of emigration, &c. In all, besides payments to Government, over \$100,000 have been expended to date.

Some 25 miles of new road have been constructed, and 25 miles of the old Government Peterson road have been brushed out and repaired. The Company has shared the expense of many of these improvements, with municipalities interested. In conjunction with a lumber firm of the district, the Company is now energetically extending other roads into the forest, and damming the principal lake, so as to keep the water up to high water mark, and allow a steamer, which it subsidizes, to run the whole summer through. The Company's officers are now engaged in promoting a plan for a wooden railway to run into the property, to facilitate lumbering and settlement.

The village of Haliburton, beautifully situated on Lake Kuschog, is rapidly increasing, several stores have been established, and there is a saw and grist mill on the spot. The company pays half the stipends of a resident clergyman, and has given free grants of lands for churches and schools.

An arrangement has just been made whereby a portion of the valuable pine timber on the property will be gradually taken off by a firm who have undertaken to find work in the shanties, during

the winter, for all willing and industrious hands. By this means a ready market for years to come is secured to the farmer at the highest prices, and the settlers will have the opportunity of earning good wages for themselves and their teams throughout the winter.

The settlement in Harcourt has hitherto not made rapid progress owing to the want of communication with the front; but now that there is every prospect of an immediate extension of the Burleigh road, the land being reported to be the best on the company's territory, they are about to erect a grist mill, which, with the saw mill already there, will form the nucleus of a prosperous village. To improve the means of communication 3000 acres are now offered as free grants along the Peterson road, and for these early application should be made, as a like opportunity will not easily be obtained. The price at which the Company now sells is: — In Dysart, \$1.50, and in other townships \$1.00 per acre, cash; or \$2.00 in Dysart, and \$1.25 in other townships, in five annual instalments, with interest at five per cent. Or the Company will rent for 17 years, for 15 cents per acre in Dysart, and ten cents in other townships, and the right of pre-emption at the end of the term, at \$2.00 and \$1.35 respectively. Half acre lots in the village of Haliburton are for sale at \$20 each. Settlement duties have to be pre-paid on farm lots and town property. The sales have chiefly been made to Canadians, but the Company has just perfected arrangements for an active emigrant agency in England.

Did you know?

by Ruth Foster

As the new manager of the County Information & Referral Centre I would like to start my first column off with a reminder as to what we do here.

We are a local organization staffed by paid and volunteer workers. We help people find solutions to social, legal, health, governmental and environmental problems by either providing information or by referring enquiries to the appropriate service within the County or elsewhere. This service is free and confidential and available to people of all age groups. Another of our services is this column which Leo Dobrzemsky started and I will be continuing.

Now with that in mind, Did You Know That

Even though the leaves are still green and the lakes are still warm, now is the time to start thinking about how to heat your home or building this winter? Today we have six choices of major alternative energy sources for heating. They are as follows: natural gas, electricity, wood, propane, solar or wind. All of these sources are eligible for the Canada Oil Substitution Plan (COSP).

This means that providing you meet the qualifications, you may receive up to \$800.00 back from the Federal Government for the conversion. Some of the qualifications are, that you must delete your oil-fired

system or cut its consumption by at least half. This applies to single-family residents or individually heated buildings such as, farm buildings, churches, and schools. This is a good

reason for switching from oil to a substitute source if you have been considering it. We have the "Still on Oil" booklet in our office which details this information.

Please drop-in to the Drag River Municipal Building, across from Emerson Lumber in Haliburton, or call us at 457-2733. Cardiff, Dorset or Kilmount residents may call collect. Our office hours are Monday to Friday 10:00 a.m. - 4:00 p.m.

And remember, you will never know the answer until you ask the question.

Lakes drop to 57 percent

The Haliburton lakes controlled by Trent-Severn Waterway had 57.7% of their maximum storage remaining on Monday, August 22. This is some 7% less than the average for 1970-79 and about 10% less than in 1982 at this date.

A check of published flow records showed that the Gull River flow this month averaged 89% of its long term August mean. Similarly the Otonabee flow has averaged 73% of its long term mean for August. These reduced flows extend the length of time of the reservoir drawdown so that the Haliburton Lakes are higher late in the summer and into the autumn.

Quite dry weather is being forecast (a few thunder showers expected) through the weekend. At the present reservoir flows the Kawartha Lakes will

probably begin to recede again. Following this weekend (August 27, 28) we at Trent-Severn will then have to increase the reservoir

flows which are presently quite low to halt the decline of the Kawartha after the surplus from the rain of Monday, August 22 is gone.

TIMBER SALE

Tenders will be received by the Ministry of Natural Resources up to and including Tuesday, September 20, 1983 at 12:00 noon E.D.T. for the right to cut the timber on part of Lots 8 & 11, Concession XI and Lot 8, Concession XII, Hinton Township, County of Haliburton.

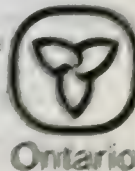

This tract contains an estimated 104,000 P.B.M. of sawlogs and 1264 cubic metres (483 cords) of fuelwood.

Further particulars and tender forms may be obtained from the District Manager, Ministry of Natural Resources, Minden, Ontario K0M0 2K0.

Highest or any tender not necessarily accepted.

IN HALIBURTON HIGHLANDS

SPOT THE SHOT

We stamped more than the usual number of people with shot number eight, however there were still five individuals who were able to correctly identify the location. Our winner this week described the location as, "A delightful spot across from a quiet swimming area." Rosemary McKenzie of R. R. 1, Kilmount correctly identified the shot as being the dam at Gooderham Lake, in the community of the same name. The lake was known at one time as Pine Lake. Rosemary wins a \$25 shopping certificate redeemable at either Haliburton or Minden Red and White stores. Congratulations to her and to the others who correctly identified the shot. They included Lorna Hicks, Mrs. George MacDuff, Marjorie Hallman and Ed Taylor.

Well, this is it, contest number ten and our final spot the shot for 1983. Sorry, no hints on this one, but then we don't think you'll need much help to name the lake above the dam, the river below and the significance of the dam. The winner, selected by draw from all the correct entries submitted will receive a \$25 shopping certificate redeemable at either Minden or Haliburton Red and White locations. Entries must be received by September 12 with the winner being announced in the September 14 edition of The Times. Send your entry to: Spot the Shot, c/o The Times, Box 97, Minden, Ontario. Don't forget to include your name and address and mark Contest No. 10 on your entry.

This Week on T.V.

The listings are supplied by the T.V. stations. While every effort is made to ensure their accuracy, last minute changes may be made by the stations.

CORPORATION OF THE TOWNSHIP of LUTTERWORTH NOTICE

IN THE MATTER OF THE MUNICIPAL ACT and IN THE MATTER OF a proposed By-law of the Corporation of the Township of Lutterworth to stop up and close portions of the 66-foot 'unopened' Original Shoreline (Marine) Allowance for Road around the shore-line perimeter of Davis Lake, in the front of Part of Lots 7, 8, 9, and 10, Concessions 1 and 2, in the Township of Lutterworth and to convey the aforesaid Shoreline Allowance Portions to the abutting property owners.

NOTICE IS HEREBY GIVEN, pursuant to Section 301 (1) (a), of the Municipal Act, R.S.O. 1980, that the Council of the Corporation of the Township of Lutterworth proposes to consider and, if deemed advisable, to pass at its Regular Meeting to be held at the Council Chambers, 3 miles south of Minden on Highway No. 35, on THURSDAY, SEPTEMBER 15th, 1983 at the hour of 7:00 o'clock P.M. a By-law to stop up and close the parcels of land more particularly described as follows:

SCHEDULE "A"

ALL those adjoining parts of the sixty-six foot Original unopened Shoreline Allowance for Road along the shore of Davis Lake in front of Part of Lot 10, in Concession 2, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 1 to 9 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2856. AND, in addition, to convey Parts 1 to 9 on Survey Plan 19R-2856 to the owners of the abutting Instrument Numbers 48815, 62039, 62038, 120078, 54176, 59879, 41739, 11738 and 105912.

SCHEDULE "B"

ALL those adjoining parts of the sixty-six foot Original unopened Shoreline Allowance for

Road along the shore of Davis Lake in front of Part of Lots 8 and 9, in Concession 1, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 1 to 7, 9 to 19 and Part 25 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2857. AND, in addition, to convey Parts 1 to 7, 9 to 19 and Part 25 on Survey Plan 19R-2857 to the owners of the abutting Instrument Numbers 79551, 97055, 55033, 21257, 75896, 2541, 75897, 21976, 16525, 91371, 90979, 60797, 70459, 119234, 70649, 35387, 47855, 47856 and 44309.

SCHEDULE "C"

ALL those parts of the sixty-six foot Original unopened Shoreline Allowance for Road along the shore of Davis Lake, in front of Part of Lot 7, in Concession 1, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 1 and 2 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2835.

AND, IN addition, to convey Parts 1 and 2 on Survey Plan 19R-2835 to the owners of the abutting Instrument Numbers 94514 and 57542.

Copies of Survey Plans 19R-2856, 19R-2857 and 19R-2835 are attached to the proposed By-law and may be viewed at the Lutterworth Municipal Office during normal working hours.

AND TAKE FURTHER NOTICE that before passing of the said By-law at its meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth, shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 10th day of AUGUST, 1983:

Mr. Wayne D. Hughes,
Clerk-Treasurer,
P.O. Box 176,
MINDEN, Ontario KOM 2K0

Mr. and Mrs. J. B. Trepanier of Minden are pleased to announce the marriage of their daughter, Donna, to David K. Conacher, son of Mrs. Dorothy Conacher and the late Lionel P. Conacher, M.P., of Toronto, on July 22, 1983.

Bowlers fore

On Wednesday August 24, about forty members of the Minden Lawn Bowling club participated in a golf tournament at the Beaverbrook Golf Course. Since no prior knowledge of the game was required in order to take part, everyone felt very relaxed about the competition.

Lloyd Boskett and Russell King had everything well organized so the fours were able to tee off at regular intervals. It didn't take long to realize who the pros were in each group. They all deserved gold medals for being so willing to share their expertise with the beginners.

The weather was ideal for such an outing and from the comments heard, when the scores were being tallied, it was apparent that everyone received plenty of exercise swinging the clubs.

Following the tournament some additional members of the Lawn

Bowling Club joined the golfers for a salad supper at the Club House. Lloyd Boskett announced the winners of the tournament and awards were presented. The winners of the trophy for 1983, Velda Harrison and Ev. Rudd, were amazed when the announcement was made. Other winning teams were Tom Hurtt and Doris Craig, Bill Mighton and Evelyn Henderson, Jim Burton and Gala Heal, Phil Graham and Aileen Blears, Rowland Sedgewick and Chris Dollo, Paul O'Brien and Alberta Maitland. The most honest golfers' award was presented to Verna Wagg and Wally Clay. Congratulations to all the winners.

James Burton, president of the Lawn Bowling Club presented a gift to Lloyd Boskett and to Russell King to express the thanks of all the golfers.

Lawn Bowling began again August 29 and will continue into early October.

CORPORATION OF THE TOWNSHIP OF STANHOPE

Public Notice

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop up, close and convey those parts of the original allowance for road set out and described as follows:

FIRSTLY: All and Singular those certain parcels or tracts of lands and premises situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Boshkung Lake, lying in front of part of Lot 9 Concession 3 and part of Lot 10 Concession 4 and being more particularly described as parts 2, 5 and 8 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 2874. A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

The proposed By-Law will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 14th day of September, 1983 at the hour of 11:30 a.m., and at that time, the Council will hear in person or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected and who applies to be heard.

DATED: August 5, 1983.

So much has happened this last week here at Hyland Crest, to tell you all about it we will have to do our best. Now that Minden Fair is over (they had two lovely days), we have Arnie Wright back after two weeks holidays. The office seems lonely when Arnie is away. Olive Hamilton did a fine job to keep everything in line and Betty Hardy came in on weekends which was really fine.

Sunday afternoon in the auditorium we had a birthday party for Eliza Chalmers. It was her 80th year, this dear lady we hold most dear. Many came with all good wishes, which was good to see, including her family and her son-in-law, Bill Scott our worthy M.P.

At the Chapel Service Sunday night Harold and Ruth Thomson were there, Ruth to play and lead the singing and Harold to read the lesson from Matthew, also offered prayer. Rev. Burgess spoke on "Jesus said, 'Unless you confess your sins and become as little children, you will be too late and will never enter Heaven through the pearly gates.'"

Doris is away for two weeks holidays. Linda is holding forth while Doris is away. Monday morning at Fun and Fitness, I will give you this news, Carrie Jones won at pitching horseshoes.

Mr. and Mrs. Loyne Cox, who have spent the last six years in Port Perry have retired, to their Minden home returning. Mrs. Cox thanks her brother Aubrey for keeping the home fires burning.

Lieutenant Buell of the Salvation Army, Haliburton, held a very impressive service in the Chapel this August 23 day. Agnes Taylor came again the music to play. We thank you both for coming, we would like to say.

We extend our sincere sympathy to Rowbotham and Coulter families on the recent loss of dear ones.

Tuesday afternoon instead of cards, there was

Bingo. Some say they had real good luck, we didn't go. Tuesday night is Music Night. Fred Ballard was to put on the show, but he took a kink in his poor back so he couldn't go. So Mrs. Rose and I decided we would give it a try. We played some real snappy tunes like "Coming thro' the Rye". Gordon Ruttle here at Hyland Crest had his granddaughter, Chantelle McKnight as his special guest. We had a busy time here on Thursday, first we went to the auditorium for a chest x-ray. If we could stick out our chests, they didn't say. Then beginning at 9:30, Linda showed us a two hour movie, "The

and Doris. We thank the ladies for coming and doing all this for us. Our entertainers come each Friday afternoon. They need a real hand.

Mrs. Shuyler is in Minden hospital. Just what is the matter seems to be a riddle. We hope she will soon be

able to return to us - we miss her at the table.

*There was a young lady of Lynn,
Who was so excessively thin,
That when she essayed,
To drink lemonade,
She slipped through the straw and fell in!*

Welcome to the Haliburton Highlands

Bob Austin, left, of Case Realty Minden, extends a warm welcome to Tina and Ian Noble who recently purchased the Forest Echo Motel just north of the county line on Highway 35. The couple plan to change the name of the business to the Noble Inn and Motel. Visitors to the area are invited to enjoy the hospitality of the Nobles at their motel on the shores of Moore Lake. The restaurant is open to the public for both breakfast and lunch.

Bob Austin, left, and Jerry Pillsworth, right, of Case Realty, Minden, are pleased to introduce Margaret and John Salmon, the new owners of Bonnie View Inn on Lake Kashagawigamog. The new owners will continue to offer an enjoyable vacation experience in a pleasant setting for visitors to the Haliburton Highlands. The restaurant at Bonnie View Inn is open to the public for breakfast, lunch and dinner. The facility is fully licenced.

3. Assignment to homeroom and locker number.
4. Receipt of student timetable.

New students and adults interested in upgrading courses should register at this time.

School will commence on Tuesday, September 6th, 1983.

H. D. Robinson

around the county town

by Yvonne Guida

It has been a very busy summer at the Carroll's cottage on Gull Lake this year. Mr. Carroll is recovering very nicely from his open heart surgery in February and enjoying our beautiful weather. Last Saturday evening, the Carrolls entertained their neighbours on Gull Lake with a beef barbecue. Visiting them recently were out of town guests the Corcorans of Ottawa, the Foleys of Kanata, the Dunnigans of Oakville, the Goules of Lake of Bays, Dorset and Ambeaus of Oakville, all enjoying some water skiing and boating. They are all impressed with this lovely area, but especially our Kawartha Dairy ice cream here in Minden.

The Museum Card Parties, with proceeds going to the Minden County Town Museum Fund were enjoyable - and ended August 25. On that day prizes were given to: for high - Mary Eldridge; for lone hands - (on a cut) - Irene Houghton and Booby - Jeanne Sears. These gifts were donated by Mrs. W. Moore. The Travelling Lone Hand was taken by Flo Dollo, having the last one and on the guess on the Pennies for Euchres this far was won by Dorothy Reaman, who turned the Pennies back in - amount being \$4.73.

Thanks to Mrs. S. Blears for the delicious cookies which were enjoyed with a cup of coffee, to end a summer of cards.

Money from cards: \$156.90, 2 donations - \$11. Draw - \$2.35, Guessing on

Pennies - \$2.65, Pennies in Jar - \$4.73. Net profit was \$177.63 and prizes taken from the fund were Wintario Tickets.

Recent visitors with the Phil Robinsons were Mr. and Mrs. Jack Rasser from Ailsa - Craig. Phil and Florence Robinson spent Wednesday with Mrs. Thelma Watson at Fenelon Falls.

Minden U.C.W. members will meet September 7 at 7:30 in the church.

The Beers family were delighted this week to hear from Susan's nephew David McCreadie, 20, of Blantyre, Scotland, that his pipe band, Toyota Pipes and Drums had attained not only Gr. II World Champions but took first place in the Cowal Championships at Dunoon, thus becoming Champion of Champions for their Grade. Congratulations David and other band members, your friends in Minden are very proud of you.

For Brandy

Her wondrous eyes
Are velvet brown,
Gentle and wise.
Her glistening coat
As black as night
With one white paw
That's white as new fallen snow.

Upon her breast
Like an emblem
A white star blazes
As she sits and thinks and ponders

On all manner of things.
Oh she is so wise
Always at my heels
Or if she walks ahead
She'll turn to see that I am there.

When I come home
She dashes, her tail wagging madly

To greet me.
I love her dearly,
She's my best friend
Who asks for nothing but love

And gives all in return
Her love, understanding and devotion
And her little nuzzle that says
All is well.

CARD OF THANKS

I wish to thank the person who stole the P.J. Glass and Mirror sign from the Red and White Plaza. It helped me make up my mind to place a bigger and better one.

P.J. Glass and Mirror

The "People For Peace" Committee wish to thank all those who helped to make the Peace Meeting on August 24th in Minden such a great success. Special thanks to: Rev. Dr. Clarke MacDonald, Speaker; Dr. Norman Alcock, Chairman; Rev. Clyde Westhaver, for arranging details with Dr. MacDonald, and introducing him at the meeting; Elaine Blakey, who prepared and donated the leaflets; Koni Lattner, who operated the projector for the film; Eleanor Gilligan, for the fine solo; and Nicholas Holliday-Rhodes who accompanied her on the piano. Thanks also to members of the audience for the generous donations of \$86.00, which helps to cover rental of the hall and its facilities. 8E

Classified advertising

CARD OF THANKS

We would like to thank all those who came out to the H.C.S.A. Dance, and gave us their support. Also thanks to all who donated food and prizes.

The Snell family

Welch - The family of the late Doris Welch wish to express their sincere gratitude and appreciation to relatives, friends and neighbours, for their thoughtfulness, kindness and assistance to us, during our recent bereavement. Many thanks for floral arrangements, charitable donations, cards and gifts of food. Special thanks to Father Brooks,

CARD OF THANKS

the ladies of the Kinmount A.C.W. and the Gordon Monk Funeral Home.

Thanks to the VON's Betty Mills, Marilyn Mighton and a special thanks to Anne MacNaull for all your help and support after my surgery.

Elda Henderson

On behalf of the Kinsmen Club of Minden I would like to thank all the participants and workers for helping to make our first Korn Fest Talent Show a success. Thank you for sharing your talent with the community.
